SMART MULTI-TASKING SKINCARE

Founded in 1950 by a dermatologist, **Embryolisse** is a family-owned **French pharmacy brand** built on multi-tasking, high-performance short formulas that focus on skin's essentials - hydration, nutrition, and protection - while **keeping beauty simple, effective and responsible**. Recommended by pharmacists, validated by makeup artists and loved by celebrities worldwide, Embryolisse's multi-function approach reflects its mission **to simplify skincare and makeup routines** for every generation.

All Embryolisse products are **made in France** with increasingly **eco-designed packaging**, including its longtime use of infinitely recyclable aluminum. They're developed under **pharmaceutical supervision and**

tested by dermatologists, adhering to a strict formulation charter. They incorporate the correct active ingredients in the right proportions and are suitable for even **the most sensitive skin**.
