

LAZARTIGUE

BOTANICAL
& VEGAN
PARIS

A **botanical silicon-free vegan** brand, made in France, created by a visionary hairdresser, **J.F. Lazartigue**. Expert hair care with **sophisticated** scents and textures to make your everyday hair routine a **luxury experience**.

Since opening his first salon in **1963**, Jean-Francois Lazartigue has been passionate about respecting and protecting the hair fiber. He developed

one of the first gentle hair relaxing methods to provide **optimal protection for hair health** and a hair diagnosis tool using a microscope to target precisely the effectiveness of his products. Additionally, he launched his haircare brand containing **pure botanical extracts** with the philosophy of **preventing damage** from chemical treatments, such as lightening, coloring, and repeated blow-drying, and ensuring **long-term hair health**.

The First Permanent Hair Coloring without Mixing

Emulsion Colorante

The first no-mix permanent hair color offering **100% grey coverage**, long-lasting results, and clean, gentle ingredients. Powered by breakthrough **air oxidation technology**, micro-pigments transform with air into macro-pigments that bind to the hair's natural melanin, in just **35 to 45 minutes**.

The result: vibrant, even color that respects both fiber and scalp. Formulated without hydrogen peroxide, ammonia, or PPD, and enriched with **Camellia Oil**, this **vegan formula** is perfect for first-time users, root touch-ups, or adding depth and vibrancy, ensuring a gentle yet effective coloring experience.
